

Drifting – we got there in the end!

Thanks (again) to COVID we had another show postponement – at least this one was only 6 weeks! Our season for *Drifting* was split over 25-26 March & 12-14 May 2022. It was hard work for the cast and crew to have 8 weeks work come crashing down only to be revisited weeks later. But in true CTG form we pulled up our boot straps, had a few coffees and got on with it.

Despite the postponement the show was a success. We had enthusiastic audiences each night who laughed and cried along with the characters, and we were able to raise money for Alzheimer's NZ at the same time. Donations through our ticketing site came to \$110, and cash donation totals are still to be tallied from the organisation. Thank you to our audiences for the support, and we are going to continue this method of supporting charities going forward.

For the second time we awarded our John Barham 'Courage Under Fire' award, this year to Carol Haig for her endless support, encouragement and willingness to jump in and help wherever she can.

Farewell from the President!

CTG, it's been a pleasure. I'm extremely grateful for the time I've spent working with this group over the last 5 years. I've been president for 2.5 years, performed in four shows, competed in the Norfolk Island Theatre Festival and had a lot of laughs in between all of that. And now, the big OE beckons! Thank you to all those who have supported myself and the group, and I hope to be back one day seeing my friends on stage. Alongside new committee member Rick Mogensen (spare him a thought everyone as the only male!), I'm leaving you in good hands with Joy Ramsay as interim President. I taught her everything I know – Paula
