

Lockdown Liberation

On 15 & 16 October we held our 'Lockdown Liberation' friends & family night. Previously known as the Winter Warmer, our event was unfortunately postponed a couple of months due to lockdown part 2. This didn't put anyone off though – quite the opposite! We were more determined than ever to bring you a great night, and great night it was if we do say so ourselves.

We started the night out with a one act play, aptly named *Lockdown in Little Grimley* by David Tristram. Some of you may be familiar with the *Little Grimley* series from previous years, and this instalment of the series was no exception to the hilarity they bring. We were fortunate enough to bring some new talent to the stage with Damian & Bradi being new to CTG, and Rick being new to acting completely! Alongside familiar face Paula, they were led by the very capable Jackie in her directing debut.

The night was rounded out with a quiz organised by Joy. With a good range of topics and questions to suit all ages – and some CTG specific questions thrown in for good measure – we enjoyed a friendly competition with close results.

The night was not ticketed, instead we accepted donations towards I Am Hope – the foundation supporting youth mental health. We are proud to announce we raised \$393.10! We are so grateful to our audiences for coming along, and hope to see you next time!

2022 Production - Drifting

Our 2022 production has been selected – *Drifting* by Jo Denver.

Each year, members of the Rossi/Sullivan family get together for the Christmas break. This year a new life (baby James) joins the family and a much loved member, Enid, slips further into Alzheimer's.

Despite the seriousness of the topic, it is diluted by a lively and humorous script, as each person reacts to Enid's situation in a different way whilst trying to maintain the usual Christmas banter and jollity.

Joy Ramsay will be directing, and show dates are 26 March – 2 April 2022. Auditions will be held on Sunday 5 December – if you'd like to express interest in auditioning or with backstage work, please feel free to contact us at clydetheatre@gmail.com
